

The University of Missouri (MU), College of Veterinary Medicine (CVM) invites applications for fulltime faculty positions of **Clinical Instructor in Small Animal Emergency and Critical Care (SAECC) in the Department of Veterinary Medicine and Surgery**. Details about position, MU and Columbia are posted online at <https://hr.missouri.edu/job-openings>, Job ID# 33579

The successful candidates will be expected to perform the following duties:

- Obtain professional licensure (faculty or regular license) to practice as a veterinarian in the State of Missouri by start date; obtain BNDD and DEA certification in the State of Missouri.
- Ensure timely and accurate triage and care for all cases arriving on emergency during daytime, swing, weekend, and overnight shifts. Schedules will be based upon the needs of the service. Holiday shifts will be divided equitably amongst clinicians.
- Communicate with clients and referring veterinarians in a timely manner for emergency case management, in both written and verbal formats.
- Supervise, direct, and teach students and interns in all aspects of case management, including financial updates for pet owners.
- Work with Small Animal Emergency and Critical Care (SAECC) faculty, residents, technicians, and students for case transfers and ongoing management and oversight of inpatients.
- Work with all small animal services during case transfer and management of inpatients in the intensive care unit.
- Provide input to be used in evaluation of all personnel working in support of the SAECC service, including licensed veterinary technicians and student employees.
- Participate with SAECC faculty and house officers to improve knowledge of the discipline and management of the section.
- Participate in departmental and hospital governance.

These positions are 1.0 FTE / 12 month appointment.

### Benefit Eligibility

These positions are eligible for University benefits. The University offers a comprehensive benefits package, including medical, dental and vision plans, retirement, and educational fee discounts. For additional information on University benefits, please visit the Faculty & Staff Benefits website at <http://www.umsystem.edu/totalrewards/benefits>.

### Minimum Qualifications

- DVM or equivalent degree.

### Search Criteria

Candidates will be assessed based upon educational and professional achievement, including:

- Clinical experience in emergency medicine
- Communication skills and potential for excellence in teaching
- Desire for continual professional improvement
- Ability to work in a team

Applications will be reviewed until a well-qualified candidate is identified and hired. If you have specific questions about this position, please contact Dr. Elizabeth Easley, [easleye@missouri.edu](mailto:easleye@missouri.edu).

### **Apply Online**

Application materials must be submitted online: <https://hr.missouri.edu/job-openings>, Job 33579. Interested candidates should be prepared to attach:

1. a letter stating professional interests and career goals;
2. professional transcript(s);
3. contact information (including email addresses) for three references; and,
4. a curriculum vitae.

If you have questions about the online application process, please consult Human Resources: email [umpshrsupport@umsystem.edu](mailto:umpshrsupport@umsystem.edu) or call (573)882-7976 during business hours.

### **Salary and Benefits**

Salary will be commensurate with education, training, and experience.

These positions are eligible for University benefits. The University offers a comprehensive benefits package, including medical, dental and vision plans, retirement, and educational fee discounts. For additional information on University benefits, please visit the Faculty & Staff Benefits website at <http://www.umsystem.edu/totalrewards/benefits>.

### **Equal Employment Opportunity**

The University of Missouri is an equal access, equal opportunity, affirmative action employer that is fully committed to achieving a diverse faculty and staff. Equal Opportunity is and shall be provided for all employees and applicants for employment on the basis of their demonstrated ability and competence without unlawful discrimination on the basis of their race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, gender expression, age, genetic information, disability, or protected veteran status. For more information, call the Associate Vice Chancellor of Human Resource Services/Affirmative Action officer at 573-882-4256.

To request ADA accommodations, please call the Disability Inclusion and ADA Compliance Manager at 573-884-7278.

### **Values Commitment**

We value the uniqueness of every individual and strive to ensure each person's success. Contributions from individuals with diverse backgrounds, experiences and perspectives promote intellectual pluralism and enable us to achieve the excellence that we seek in learning, research, and engagement. This commitment makes our university a better place to work, learn and innovate.

In your application materials, please discuss your experiences and expertise that support these values and enrich our missions of teaching, research, and engagement.

## **Our Campus and Our Community**

MU's Veterinary Health Center is a state-of-the-art teaching and medical services facility for companion animals as well as livestock. Columbia, MO is an ideal location for such a teaching hospital. The population of central Missouri and reasonable proximity to St. Louis and Kansas City provide for a robust small animal emergency and referral caseload.

MU is a nationally competitive, global university. Many states fund separate research and land-grant universities, but Missouri combines those roles at its flagship institution. MU is both a land-grant university with a statewide mission of service to citizens and Missouri's largest public research university. Mizzou is one of only five universities nationwide that offers law, medicine, veterinary medicine, and a nuclear research reactor on one campus.

MU is a national leader in comparative medicine, in which researchers collaborate by sharing discoveries, innovations and treatments for humans and animals. For more about the College of Veterinary Medicine and our impact on Missouri, the nation, and the world, go to:

- Veterinary Medical Diagnostic Lab- <http://vmdl.missouri.edu/>

**Studies consistently rank Columbia as a top city in which to live for educational facilities, health care, technological savvy, economic growth, and cultural opportunities.** The cost of living is still affordable, whether you prefer an apartment in the city, a farm on a country road or a family home near a top-notch school. With a population of ~120,000, Columbia is located in the heart of Missouri on Interstate 70, an easy drive to both St. Louis and Kansas City.
