

**The University of Missouri Department of Veterinary Medicine and Surgery (VMS) invites applicants for Assistant, Associate, or full Teaching Professor (non-tenure track) positions in Small Animal Emergency and Critical Care Service.** Interested applicants please go to <https://hr.missouri.edu/job-openings> to view complete job posting and to apply online for Job 34301.

The successful candidates will be expected to provide teaching and clinical service in the MU Veterinary Health Center, in the Small Animal Emergency and Critical Care section. Teaching activities will be clinical and didactic in nature, and will involve professional students, graduate students, resident veterinarians, and house officers. Some weekend and evening duty should be expected as part of the appointment. Participation in research is possible, with an emphasis on collaborative and clinical projects. The position is a 1.0 FTE/12-month appointment.

In addition to standard cardiopulmonary monitoring equipment, the service is equipped with four GE Engstrom Carestation mechanical ventilators, a Vapotherm high flow oxygen unit, Snyder oxygen cages, Prismaflex CRRT and TPE system, telemetry, and a Sonosite ultrasound machine.

#### **Minimum Qualifications**

- DVM or equivalent degree.
- Board certified by the American College of Veterinary Emergency and Critical Care (ACVECC); or have completed a residency program that meets requirements for board certification by the ACVECC.

As part of this appointment, the successful candidate will obtain and maintain license to practice veterinary medicine in the State of Missouri (faculty or regular licensure) within no more than 3 months of start date, then complete DEA registration and get BNDD certificate.

#### **Selection Criteria**

Candidates will be assessed based upon educational and professional achievement. Clinical experience, communication skills, a commitment to diversity and inclusion, and reference checks will all be considered in selection of a candidate. Potential for candidates to work within the framework of the SAECC service and department will be assessed. We are seeking a candidate with interest in practicing up-to-date medicine, a passion for teaching, and a desire for continual professional improvement.

For more information about this position, please contact Dr. Tony Mann at [MannF@missouri.edu](mailto:MannF@missouri.edu).

#### **Salary and Benefits:**

Salary will be commensurate with education, training, and experience.

These positions are eligible for University benefits. The University offers a comprehensive benefits package, including medical, dental and vision plans, retirement, and educational fee discounts. For additional information on University benefits, please visit the Faculty & Staff Benefits website at <http://www.umssystem.edu/totalrewards/benefits>.

**Application Materials** must be submitted online: <https://hr.missouri.edu/job-openings> **Job ID 34301**. Please be prepared to submit:

1. a letter stating professional interests and career goals.

2. a curriculum vitae.
3. professional transcript(s).
4. contact information including email addresses for three references.

Applications will be reviewed until suitable candidates are identified and hired.

If you have questions about the online application process, please consult Human Resources web sites: email [umpshrsupport@umsystem.edu](mailto:umpshrsupport@umsystem.edu) or call (573)882-7976.

### **Values Commitment**

We value the uniqueness of every individual and strive to ensure each person's success. Contributions from individuals with diverse backgrounds, experiences and perspectives promote intellectual pluralism and enable us to achieve the excellence that we seek in learning, research, and engagement. This commitment makes our university a better place to work, learn and innovate.

In your application materials, please discuss your experiences and expertise that support these values and enrich our missions of teaching, research, and engagement.

### **Equal Employment Opportunity**

Equal Opportunity is and shall be provided for all employees and applicants for employment on the basis of their demonstrated ability and competence without unlawful discrimination on the basis of their race, color, national origin, ancestry, religion, sex, pregnancy, sexual orientation, gender identity, gender expression, age, disability, protected veteran status, or any other status protected by applicable state or federal law. This policy shall not be interpreted in such a manner as to violate the legal rights of religious organizations or the recruiting rights of military organizations associated with the Armed Forces or the Department of Homeland Security of the United States of America. For more information, call the Vice Chancellor of Human Resource Services/Affirmative Action officer at 573-882-4256.

To request ADA accommodations, please call the Disability Inclusion and ADA Compliance Manager at 573-884-7278.

### **Our Campus and Our Community**

MU's Veterinary Health Center is a state-of-the-art teaching and medical services facility for companion animals as well as livestock. Columbia is an ideal location for such a teaching hospital with a robust small animal case load. Missouri is a strong agricultural state with large numbers of horses, cattle, hogs, and poultry.

MU is a nationally competitive, global university. Many states fund separate research and land-grant universities, but Missouri combines those roles at its flagship institution. MU is both a land-grant university with a statewide mission of service to citizens and Missouri's largest public research university. Mizzou is one of only five universities nationwide that offers law, medicine, veterinary medicine, and a nuclear research reactor on one campus.

MU is a national leader in comparative medicine, in which researchers collaborate by sharing discoveries, innovations and treatments for humans and animals. For more about the College of Veterinary Medicine and our impact on Missouri, the nation, and the world, go to:

**Studies consistently rank Columbia as a top city in which to live for educational facilities, health care, technological savvy, economic growth, and cultural opportunities.** The cost of living is affordable, whether you prefer an apartment in the city, a farm on a country road or a family home near a top-notch school. With a population of 126,853, Columbia is in the heart of Missouri on Interstate 70.
