

Position Title: Senior Clinical Lab Technician

Department: Veterinary Medical Diagnostic Laboratory

Position Type: Full-time Staff

Job ID: 51066

Job Description:

The [College of Veterinary Medicine](#) at MU is on a mission to inclusively educate and train outstanding clinicians and scientists from diverse backgrounds, generate new knowledge, engage stakeholders, and foster economic growth, all of which promote and protect the health and welfare of animals and people. Simply put, our mission is to Teach, Heal, Discover, and Serve.

The [Veterinary Medical Diagnostic Laboratory](#) is a full-service laboratory accredited by the American Association of Veterinary Laboratory Diagnosticians and member of the National Animal Health Laboratory Network (NAHLN). It provides in-depth laboratory diagnostic support to veterinary practitioners, livestock and poultry industry interests, companion animal interests, wildlife conservationists, scientists utilizing animals in their research throughout the university, state and regulatory officials, and clinicians of the MU Veterinary Health Center. The laboratory handles more than 200,000 specimens a year and serves Missouri's 114 counties and surrounding states by performing over 170,000 diagnostic tests annually. The VMDL also conducts fundamental and applied research to address animal health and public health issues.

The Veterinary Medical Diagnostic Laboratory (VMDL) is seeking to hire a **Senior Clinical Lab Technician to work in the Serology Section**. This position entails performing and participating in specialized technical lab and research procedures of a difficult nature.

Representative Duties Include:

- Perform serological diagnostic tests and investigations requiring accuracy and strict attention to detail.
- Assist with funded research projects, including the detection of chronic wasting disease (CWD).
- Follow standard operating procedures (SOPs), analyze test results, enter data into a computer and the laboratory information system (LIMS), and maintain laboratory records.
- Set up, operate, and maintain laboratory apparatus and equipment.
- Participate in inventory and ordering supplies, materials, and equipment.
- Perform other lab duties when needed.

Shift:

Full-time, 40 hours, Monday-Friday.

Minimum Qualifications:

High school diploma or equivalent and at least 2 years of experience from which comparable knowledge and skills can be acquired is necessary.

Preferred Qualifications:

A bachelor's degree in biological science or related field is preferred.

Anticipated Hiring Range:

Salary Range: \$18.95 - \$19.50/ hour, commensurate with education and experience.

Grade: GGS-006

University Title: SENIOR RESEARCH/LAB TECHNICIAN

Community Information:

Columbia offers small-town friendliness with big city features and a high quality of life for people of all ages and interests. Founded on education and known as an ideal college town, its location also makes it an attractive spot for businesses and travelers. Located on Interstate 70 and U.S. Highway 63, Columbia is right in the middle of the state and the nation. Just a couple hours' drive from St. Louis and Kansas City, Columbia is Boone County's largest population center offering big-city culture, activities, and resources with a low cost of living. Columbia is home to a variety of restaurants and entertainment venues and hosts more than a dozen cultural festivals each year. If you want to grow your career, continue your education, raise a family, and retire, Columbia is a good place to be!

Benefit Eligibility:

This position is eligible for University benefits. The University offers a comprehensive benefits package, including medical, dental and vision plans, retirement, paid time off, and educational fee discounts. For additional information on University benefits, please visit the Faculty & Staff Benefits website at <http://www.umsystem.edu/totalrewards/benefits>

Values Commitment:

We value the uniqueness of every individual and strive to ensure each person's success. Contributions from individuals with diverse backgrounds, experiences and perspectives promote intellectual pluralism and enable us to achieve the excellence that we seek in learning, research and engagement. This commitment makes our university a better place to work, learn and innovate.

In your application materials, please discuss your experiences and expertise that support these values and enrich our missions of teaching, research, and engagement.

Equal Employment Opportunity:

The University of Missouri System is an Equal Opportunity Employer. Equal Opportunity is and shall be provided for all employees and applicants for employment on the basis of their demonstrated ability and competence without unlawful discrimination on the basis of their race, color, national origin, ancestry, religion, sex, pregnancy, sexual orientation, gender identity, gender expression, age, disability, or protected veteran status, or any other status protected by applicable state or federal law. This policy applies to all employment decisions including, but not limited to, recruiting, hiring, training, promotions, pay practices, benefits, disciplinary actions and terminations.
