

WE ARE HIRING

# DISCOVER WHAT MATTERS.

Innovative research, creative scholarship, connection, collaboration, lifelong learning and lots of opportunity—Mizzou has it all.

## POSITION SUMMARY

We are seeking candidates for multiple **Emergency Doctor / Clinical Instructor positions**. These are full-time, 12-month appointments serving as vital members of our Small Animal Emergency and Critical Care team. These positions will provide emergency care in the Small Animal Hospital at the MU Veterinary Health Center. Additionally, incumbents will have the opportunity to supervise, instruct, coach, and mentor students, house officers, veterinary technicians, and veterinary assistants.

### About the College of Veterinary Medicine

The College of Veterinary Medicine at MU is on a mission to inclusively educate and train outstanding clinicians and scientists from diverse backgrounds, generate new knowledge, engage stakeholders, and foster economic growth, all of which promote and protect the health and welfare of animals and people. **Simply put, our mission is to Teach, Heal, Discover and Serve.**

### About the University

As a flagship, land-grant institution and one of only 65 universities across the U.S. and Canada to be a member of the prestigious Association of American Universities, the University of Missouri is a campus where empathy, innovation and hard work combine to solve the world's grand challenges. We tackle diverse problems because Missouri is a diverse state—from the southern Ozarks to the northern plains. We are Mizzou, where Black and Gold runs deep and Truman the Tiger embodies our bold spirit.

### About Columbia

Ranked by the American Institute for Economic Research as one of the nation's top 10 college towns, Columbia combines small-town comforts, community spirit and a low cost of living with big-city culture, activities and resources. Our city of about 110,000 people lies midway between Missouri's largest metro areas: St. Louis and Kansas City.

## POSITION INFORMATION

**Specialty: Small Animal Emergency Doctor**

**Type: Clinical Instructor**

**Department: Veterinary Medicine & Surgery**

**Job ID #: 33579**

### TEACH | HEAL | DISCOVER | SERVE

#### Responsibilities:

- Ensure timely and accurate triage and care for all cases arriving on emergency during daytime, swing, weekend, and overnight shifts. Schedules will be based upon the needs of the service. Holiday shifts will be divided equitably amongst clinicians.
- Communicate with clients and referring veterinarians in a timely manner for emergency case management, in both written and verbal formats.
- Supervise, direct, and teach students and interns in all aspects of case management, including financial updates for pet owners.
- Work with Small Animal Emergency and Critical Care (SAECC) faculty, residents, interns, technicians, and students for case transfers and ongoing management and oversight of inpatients.
- Work with all small animal services during case transfer and management of inpatients in the intensive care unit.
- Provide input to be used in evaluation of all personnel working in support of the SAECC service, including licensed veterinary technicians, veterinary assistants, and student employees.
- Participate with SAECC faculty and house officers to improve knowledge of the discipline and management of the section.
- Participate in departmental and hospital governance.
- As with all positions, involvement with other duties and responsibilities may be expected to support the mission and purpose of the University of Missouri.

#### Minimum Qualifications:

- A Doctorate in Veterinary Medicine (DVM) or equivalent degree (such as VMD, BVSc) by time of appointment.

#### Candidates will be evaluated on:

- Eligibility for licensure to practice veterinary medicine in the State of Missouri.
- Eligibility to obtain and maintain DEA and BNDD.
- Prior experience as a Small Animal Emergency Doctor.
- Prior experience teaching and mentoring students.

*The University of Missouri is committed to a policy of equal opportunity without regard to race, color, religion, gender, gender identity or expression, age, sexual orientation, national origin, ancestry, disability, military status, or genetic information in employment, admission to and participation in academic programs, activities, and services, and the selection of vendors who provide services or products to the university. To fulfill that policy, the University of Missouri-Columbia is further committed to a program of affirmative action to eliminate or mitigate artificial barriers and to increase opportunities for the recruitment and advancement of qualified minorities, women, persons with disabilities, and covered veterans. It is the policy of the University of Missouri-Columbia to comply with the applicable federal and state statutes, rules, and regulations concerning equal opportunity and affirmative action.*
