

WE ARE HIRING

# DISCOVER WHAT MATTERS.

Innovative research, creative scholarship, connection, collaboration, lifelong learning and lots of opportunity—Mizzou has it all.

## POSITION SUMMARY

We seek candidates for a Clinical Instructor or Assistant Clinical Professor (NTT) position in **Small Animal Oncology**. This is a full-time, 12-month appointment, working at the **Veterinary Health Center - Wentzville, Missouri** satellite teaching hospital. Candidates will join an established comprehensive oncology service dedicated to teaching, clinical and basic research, and the highest quality patient care. Candidates will have the opportunity to provide top-notch oncology service, teach students and house officers, and participate in collaborative research endeavors.

### About the College of Veterinary Medicine

The College of Veterinary Medicine at MU is on a mission to inclusively educate and train outstanding clinicians and scientists from diverse backgrounds, generate new knowledge, engage stakeholders, and foster economic growth, all of which promote and protect the health and welfare of animals and people. **Simply put, our mission is to Teach, Heal, Discover and Serve.**

### About the University

As a flagship, land-grant institution and one of only 65 universities across the U.S. and Canada to be a member of the prestigious Association of American Universities, the University of Missouri is a campus where empathy, innovation and hard work combine to solve the world's grand challenges. We tackle diverse problems because Missouri is a diverse state—from the southern Ozarks to the northern plains. We are Mizzou, where Black and Gold runs deep and Truman the Tiger embodies our bold spirit.

### About Columbia

Ranked by the American Institute for Economic Research as one of the nation's top 10 college towns, Columbia combines small-town comforts, community spirit and a low cost of living with big-city culture, activities and resources. Our city of about 110,000 people lies midway between Missouri's largest metro areas: St. Louis and Kansas City.

## POSITION INFORMATION

**Specialty: Small Animal Oncology**

**Type: Clinical Inst. / Asst. Clinical Prof.**

**Department: Veterinary Medicine & Surgery**

**Job ID #: 39178**

## TEACH | HEAL | DISCOVER | SERVE

### Responsibilities:

- Participate in a busy and progressive oncology service.
- Teach professional and graduate students as well as house officers in clinical and didactic settings.
- Engage in scholarly activities which can include collaborating on clinical research projects, authorship of book chapters, reviews, or other activities relating to oncology or education.
- Participation in NCI Comparative Oncology Trials Consortium (COTC) and Canine Comparative Oncology and Genomics Consortium (CCOGC) activities.
- Participate in faculty governance activities as feasible.
- As with all positions, involvement with other duties and responsibilities may be expected to support the mission and purpose of the University of Missouri.

### Minimum Qualifications:

- A Doctorate in Veterinary Medicine (DVM) or equivalent degree (such as VMD, BVSc).
- Successful completion of a Veterinary Oncology residency program by appointment start date.

### Candidates will be evaluated on:

- Eligibility to obtain and maintain a regular or faculty license to practice veterinary medicine in the state of Missouri
- Eligibility to obtain and maintain DEA and BNDD certificates.
- Potential for Board certification (ACVIM, Specialty of Oncology).

### Search Criteria:

Candidates will be assessed based upon educational and professional achievement. Clinical experience, communication skills, experience working effectively in diverse environments, and observations shared by referees will all be considered in the selection process. The potential for the candidate to work within the framework of the VHC will also be assessed, as will specialty and/or research training and teaching experience. We are seeking a candidate with interest in practicing up-to-date medicine, a passion for teaching, and a desire for continual professional improvement.

*The University of Missouri is committed to a policy of equal opportunity without regard to race, color, religion, gender, gender identity or expression, age, sexual orientation, national origin, ancestry, disability, military status, or genetic information in employment, admission to and participation in academic programs, activities, and services, and the selection of vendors who provide services or products to the university. To fulfill that policy, the University of Missouri-Columbia is further committed to a program of affirmative action to eliminate or mitigate artificial barriers and to increase opportunities for the recruitment and advancement of qualified minorities, women, persons with disabilities, and covered veterans. It is the policy of the University of Missouri-Columbia to comply with the applicable federal and state statutes, rules, and regulations concerning equal opportunity and affirmative action.*
