# HORSE OWNER SEMINAR: KEEPING HORSES HEALTHY

NOVEMBER 11, 2023

You are invited to the Horse Health Seminar Series and Open House, **Nov. 11, 2023**, at the University of Missouri College of Veterinary Medicine Adams Conference Center in Columbia. Join us for a series of educational talks covering a range of equine health topics. We will also offer tours of the Equine Hospital.

The Missouri Veterinary Medical Board has approved **6 hours of continuing education** credit for veterinary technicians.

Cost is **\$20** for general participants or **\$50** for CE credit.

Register online:
