

VET MED

WE ARE HIRING

POSITION SUMMARY

We seek candidates for an open position as a **Clinical Instructor, Assistant, or Associate Professor (NTT or TT) faculty position in Food Animal Veterinary Medicine.** The University of Missouri has a broad-based food animal program that includes in-house clinical services, ambulatory / field service, and a production / regulatory / public health service. *This position to open to candidates interested in any of these three areas of food animal medicine,* with the distribution of time being dependent on the final candidate. The person filling this position will be expected to provide care of patients in the clinic and the field when assigned to emergency duty.

About the College of Veterinary Medicine

The College of Veterinary Medicine at MU is on a mission to inclusively educate and train outstanding clinicians and scientists from diverse backgrounds, generate new knowledge, engage stakeholders, and foster economic growth, all of which promote and protect the health and welfare of animals and people. Simply put, our mission is to Teach, Heal, Discover and Serve.

About the University

As a flagship, land-grant institution and one of only 65 universities across the U.S. and Canada to be a member of the prestigious Association of American Universities, the University of Missouri is a campus where empathy, innovation and hard work combine to solve the world's grand challenges. We tackle diverse problems because Missouri is a diverse state—from the southern Ozarks to the northern plains. We are Mizzou, where Black and Gold runs deep and Truman the Tiger embodies our bold spirit.

About Columbia

Ranked by the American Institute for Economic Research as one of the nation's top 10 college towns, Columbia combines small-town comforts, community spirit and a low cost of living with big-city culture, activities and resources.

DISCOVER WHAT MATTERS.

Innovative research, creative scholarship, connection, collaboration, lifelong learning and lots of opportunity—Mizzou has it all.

POSITION INFORMATION

Specialty: Food Animal Medicine

Job ID #: [53114](#)

Rank: Clinical Instructor, Assistant, or Associate Professor (NTT or TT)

TEACH | HEAL | DISCOVER | SERVE

Responsibilities

The successful candidate will contribute meaningfully to the missions of the Food Animal Section, Department, and College by:

- Participating in the clinical curriculum and providing service to clients.
- Interacting with the animal-owning public, referring veterinarians, students, commodity groups, extension faculty, animal science faculty, and the Missouri Department of Agriculture.
- Sharing after-hours call with other faculty and house officers.
- Participating in intern, resident, and graduate student training.
- Participating in clinical/production-based research.
- Individuals in the tenure track will be expected to develop a productive, funded research focus.

Didactic teaching, outreach, and administrative service will make up the remainder of the appointment. Distribution of effort will be based on the successful candidate's qualifications, career goals, and the needs of the food animal section.

Minimum Qualifications:

- A Doctorate in Veterinary Medicine (DVM) or equivalent degree (such as a VMD, BVSc) prior to appointment start date.
- Board Certification / Diplomate status or completion of a residency designed to meet the requirements for board certification by one of the following organizations:
 - American College of Veterinary Internal Medicine (ACVIM - Large Animal)
 - American Board of Veterinary Practitioners (ABVP - Food Animal)
 - American College of Veterinary Surgeons (ACVS - Large Animal)

Candidates will be evaluated on:

- Relevant experience in an area of Food Animal Medicine.
- Interest in practicing up-to-date medicine / surgery and a passion for teaching.
- Eligibility for professional licensure (faculty or regular license) to practice Veterinary Medicine in the State of Missouri (be able to obtain within 3 months of their start date).
- Eligibility to obtain and maintain DEA and BNDD registrations.
- Eligibility to obtain and maintain Federal Accreditation by the USDA.

Please contact Noah Hartsfield, Recruiter at 573-882-3761 or hartsfieldn@missouri.edu or Dr. Pamela Adkins, Associate Professor - Food Animal Medicine at adkinsp@missouri.edu if you have questions about the position.

The University of Missouri is committed to a policy of equal opportunity without regard to race, color, religion, gender, gender identity or expression, age, sexual orientation, national origin, ancestry, disability, military status, or genetic information in employment, admission to and participation in academic programs, activities, and services, and the selection of vendors who provide services or products to the university. To fulfill that policy, the University of Missouri-Columbia is further committed to a program of affirmative action to eliminate or mitigate artificial barriers and to increase opportunities for the recruitment and advancement of qualified minorities, women, persons with disabilities, and covered veterans. It is the policy of the University of Missouri-Columbia to comply with the applicable federal and state statutes, rules, and regulations concerning equal opportunity and affirmative action.
