

WE ARE HIRING

DISCOVER WHAT MATTERS.

Innovative research, creative scholarship, connection, collaboration, lifelong learning and lots of opportunity—Mizzou has it all.

POSITION SUMMARY

We seek candidates for several open-rank academic positions in **Veterinary Anesthesiology**, with primary duties being in teaching and clinical service within our Veterinary Health Center. The Anesthesiology section supports the work of the Large and Small Animal Hospitals as well as the clinical and didactic instruction of graduate students, veterinarian residents, and house officers. Participation in research within the department, college, and wider university is possible for interested candidates. Candidates at any academic rank will be considered: clinical instructor; NTT - assistant, associate, or full teaching professor; or TT - assistant, associate, or full professor.

About the College of Veterinary Medicine

The College of Veterinary Medicine at MU is on a mission to inclusively educate and train outstanding clinicians and scientists from diverse backgrounds, generate new knowledge, engage stakeholders, and foster economic growth, all of which promote and protect the health and welfare of animals and people. Simply put, our mission is to Teach, Heal, Discover and Serve.

About the University

As a flagship, land-grant institution and one of only 65 universities across the U.S. and Canada to be a member of the prestigious Association of American Universities, the University of Missouri is a campus where empathy, innovation and hard work combine to solve the world's grand challenges. We tackle diverse problems because Missouri is a diverse state—from the southern Ozarks to the northern plains. We are Mizzou, where Black and Gold runs deep and Truman the Tiger embodies our bold spirit.

About Columbia

Ranked by the American Institute for Economic Research as one of the nation's top 10 college towns, Columbia combines small-town comforts, community spirit and a low cost of living with big-city culture, activities and resources. Our city of about 110,000 people lies midway between Missouri's largest metro areas: St. Louis and Kansas City.

POSITION INFORMATION

Specialty: Veterinary Anesthesiology

Type: Open Academic Rank

Department: Veterinary Medicine & Surgery

Job ID #: 45372

TEACH | HEAL | DISCOVER | SERVE

Responsibilities

This appointment's primary teaching and clinical focus is providing faculty support to the anesthesiology section in the Veterinary Health Center (VHC). As part of this appointment, the successful candidate will:

- Provide clinical instruction of students (professional), interns, and residents in veterinary anesthesia, analgesia, and perioperative medicine utilizing the caseload of the VHC.
- Contribute to the professional and graduate curriculum by participating in classroom and laboratory instruction. Opportunities for online instruction are possible.
- Represent the University, College, and VHC through outreach activities for animal-owning public, referring veterinarians, or other relevant stakeholders.
- Provide consultation to off-site, university-operated clinics.
- Participate with other faculty and house officers in after-hours call.
- Participate in the discovery process by participating in research and graduate/house officer research. Individuals in the tenure track will be expected to develop a productive research focus.
- Participate in faculty governance activities.

Distribution of effort will be based on the successful candidate's qualifications, career goals, and the needs of the anesthesia section. As with all positions, involvement with other duties and responsibilities may be expected to support the mission and purpose of the University of Missouri.

Minimum Qualifications

- A Doctorate in Veterinary Medicine (DVM) or equivalent degree (such as VMD, BVSc).
- Completion of a residency designed to meet the requirements for certification in American College of Veterinary Anesthesia and Analgesia or European College of Veterinary Anaesthesia and Analgesia prior to appointment the start date.

Candidates will be evaluated on:

- Professional, residency and graduate training.
- Eligibility for licensure to practice veterinary medicine in the State of Missouri.
- Eligibility to obtain and maintain DEA and BNDD.
- For candidates pursuing tenure / tenure track appointment; research productivity and granting activity will be a consideration.

The University of Missouri is committed to a policy of equal opportunity without regard to race, color, religion, gender, gender identity or expression, age, sexual orientation, national origin, ancestry, disability, military status, or genetic information in employment, admission to and participation in academic programs, activities, and services, and the selection of vendors who provide services or products to the university. To fulfill that policy, the University of Missouri-Columbia is further committed to a program of affirmative action to eliminate or mitigate artificial barriers and to increase opportunities for the recruitment and advancement of qualified minorities, women, persons with disabilities, and covered veterans. It is the policy of the University of Missouri-Columbia to comply with the applicable federal and state statutes, rules, and regulations concerning equal opportunity and affirmative action.
