

WE ARE HIRING

# DISCOVER WHAT MATTERS.

Innovative research, creative scholarship, connection, collaboration, lifelong learning and lots of opportunity—Mizzou has it all.

## POSITION SUMMARY

The College of Veterinary Medicine at the University of Missouri currently seeks candidates for **Part-time Adjunct Faculty in Veterinary Radiology**. The Radiology Service provides multiple services for large and small animals, delivering high-quality diagnostic images in a safe environment. We currently provide imaging studies that utilize radiography, computed tomography, ultrasound, magnetic resonance imaging, scintigraphy, and positron emission tomography. **Positions will be filled between 20% and 60% FTE and are 12-month positions. Part-time positions will be considered for fully remote, hybrid, or on-site work arrangements.**

### About the College of Veterinary Medicine

The College of Veterinary Medicine at MU is on a mission to educate and train outstanding clinicians and scientists from diverse backgrounds, generate new knowledge, engage stakeholders, and foster economic growth, all of which promote and protect the health and welfare of animals and people.

***Simply put, our mission is to Teach, Heal, Discover and Serve.***

### About the University

As a flagship, land-grant institution and one of only 65 universities across the U.S. and Canada to be a member of the prestigious Association of American Universities, the University of Missouri is a campus where empathy, innovation and hard work combine to solve the world's grand challenges. We tackle diverse problems because Missouri is a diverse state—from the southern Ozarks to the northern plains. We are Mizzou, where Black and Gold runs deep and Truman the Tiger embodies our bold spirit.

### About Columbia

Ranked by the American Institute for Economic Research as one of the nation's top 10 college towns, Columbia combines small-town comforts, community spirit and a low cost of living with big-city culture, activities and resources. Our city of about 110,000 people lies midway between Missouri's largest metro areas: St. Louis and Kansas City.

## POSITION INFORMATION

**Specialty: Veterinary Radiology**

**Type: Part-Time Adjunct Faculty**

**Department: Veterinary Medicine & Surgery**

**TEACH | HEAL | DISCOVER | SERVE**

### Responsibilities

- Active participation in clinical and clinical instruction responsibilities of the radiology section.
- Instruct, Train, and Mentor graduate students and house officers.
- Candidates will be encouraged, but not required to participate in collaborative scholarly and research activities.

**The Veterinary Health Center at the University of Missouri sees nearly 20,000 animals per year** for specialized diagnoses and treatment. The VHC and the Radiology section possesses top-of-the line imaging and diagnostic equipment including:

A 640-slice Canon Aquilion One CT scanner | A Canon Infinx Core fluoroscopy unit obtained in 2021 capable of cone beam CT acquisition | New Canon Galan 3 Tesla MRI for small and large animals | A new Asto standing CT scanner for use in Equine diagnostic imaging | A Canon Celesteion PET/CT scanner with a wide bore gantry | 2 state-of-the-art Canon Aplio-800 Ultrasound machines | Two fixed small animal x-ray machines with Canon Digital Radiographic capture system | Fixed column and portal x-ray generators with Cannon Wireless Digital Radiographic detectors | Equistand II nuclear scintigraphy scanner for both large and small animals | State of the art Radiation Isolation Facility

### Minimum Qualifications:

- Doctorate in Veterinary Medicine (DVM) or equivalent degree (such as VMD, BVSc).
- Diplomate status or eligibility for certification by the American College of Veterinary Radiology, European College of Veterinary Diagnostic Imaging, or completion of diagnostic imaging and radiology residency training by start date.

### Candidates will be evaluated based upon the following criteria:

- Communication skills.
- Experience working effectively in dynamic environments.
- Strong work ethic, potential for scholarly productivity, as well as teaching skills and abilities.

Please contact **Noah Hartsfield, HR Recruiter, at [hartsfieldn@missouri.edu](mailto:hartsfieldn@missouri.edu)**, or **Dr. Carol Reinero, Chair of the Search Committee, at [reinero@missouri.edu](mailto:reinero@missouri.edu)** if you have questions about the position or to apply.

*This position is not eligible for University benefits. Individuals in non-benefit eligible positions may choose to participate in the Tax Deferred Annuity Plan (403b).
